## SKS Win Second Straight Tourney of 2012 with Sweep in Jackson

Jackson, MI 3/31/2012

Terry Patesel stepped up in the absence of slugger Joe Horvath with five home runs from the lead off spot and went a near perfect 19-for-20 to help lead the Street Kids Mojo softball team to their second straight tourney win of 2012, and their third win overall, dating back to the season opening round robin in Kentucky.

Patesel, Leland Schmucker, Tim Austin and Faron Miller all batted over .800 in the five games, where the Kids (16-2 overall) went unbeaten, winning every game by the mercy rule.

Up next for SKS, who currently has won nine straight games, is the NSA Hooters championship in Indianapolis on April 14th, an event they won in 2009.

The Kids were without Horvath, Danny Penale, Shane Varga and TJ Jorgensen.
