

SKS Sweep in Topeka

Topeka, IN 6/21/12

Mike Bailey, coming off his first Flag Day title last weekend, had nine hits and five extra base hits to help lead the Street Kids/Cut Rite team to a sweep of ConCreations, 21-12 and 17-5, respectively.

"I just wanted to come out here and show these guys what a Flag Day title looks like," said Bailey, who was dressed only in an American Flag wrapped around his body. "It was a great time this past weekend, but to come here to Topeka, butt ass naked, with old glory wrapped around me and show everyone a true Flag Day champion... priceless."

Joe Horvath, having won more Flag Day titles than Bailey has lost, wasn't to be outdone on Thursday, reportedly ripped Bailey traps right out of his body.

"Mine are bigger," was all Horvath could say.
